Then, add any of the following additional options

TIRE & WHEEL PROTECTION

Road hazard repairs include mounting, balancing, valve stems and taxes with no deductible.

- Up to \$4,000 in benefits
- Protects vehicle tires & wheels against potholes and road debris including glass, nails, rocks and tree limbs

SCRATCH REPAIR

Don't let scratches ruin the appeal of your vehicle! Scratch repair covers scratches up to twelve (12) inches in length on painted sheet metal panels. The repair enhances the visual and cosmetic appearance of your vehicle.

PAINTLESS DENT REPAIR (PDR)

This benefit provides for limited repair of most small dents and dings on exterior vertical, painted sheet metal body panels. Paint-less Dent Repair (PDR) is a detailing process developed by automobile manufacturing teams that use specialized hand tools to gently push dented metal back to its original, or near original, form. This procedure removes door dings without harming the factory's original finish.

- Up to \$500 in benefits
