ROADSIDE BENEFITS

Includes in your coverage

TOWING

If your covered vehicle breaks down, we won't leave you stranded. We'll arrange to have your car, truck, or SUV towed to the nearest qualified repair facility within a 150-mile radius. This service is available 24/7.

FLAT TIRE CHANGE

Don't risk changing a flat yourself - call us. We'll send a qualified pro to put a spare on your covered vehicle. If your spare won't work, we'll provide you with transportation to the nearest tire store for repairs.

EMERGENCY FUEL DELIVERY SERVICE

When it comes to emergency fuel, we deliver. Any time you run out of fuel, we'll arrange for a service provider to deliver two (2) gallons of fuel to your covered vehicle. You are responsible for the cost of the fuel at the time of delivery.

KEY LOCKOUT SERVICE

It's embarrassing. It's inconvenient. It's easily solved with our Key Lockout Service. Just call us any time your keys are lost, broken or locked inside your covered vehicle. We'll send a service provider and pay up to \$100 per occurrence to cover the cost of the locksmith service, excluding the cost of replacement keys. You are responsible for replacement keys.

BATTERY JUMP SERVICE

Few things are more frustrating than a dead battery. If your covered vehicle won't crank, we'll arrange for a service provider to assist you and get your vehicle moving again.

RENTAL CAR

If you happen to find yourself in the unfortunate situation where your vehicle is not drivable, we will reimburse you for a rental car up to \$30 per 24 hour period, with a \$150 max per claim. In order to qualify the vehicle must: 1) be retained by the repair facility overnight, and 2) have a failure to a covered component based on the coverage plan selected, that if driven, would result in further damage to the vehicle.
