

Vehicle Protection Plan

Protect yourself from the cost of unexpected repairs

Reserve

The Reserve plan provides our most extensive vehicle coverage. Coverage extends to any part experiencing a mechanical breakdown except for those parts listed as excluded under the service contract.*

Estate

Includes Vintage coverage

Brake Group: Master cylinder, power brake cylinder, vacuum assist booster, hydro boost, disc brake caliper, wheel cylinders, compensating valve, metal brake hydraulic lines and fittings. The following ABS Components are covered: hydraulic control unit, electronic control processor, wheel speed sensors, hydraulic pump/motor assembly, pressure modulator valve, isolation dump valve, and accumulator.

Front/Rear Suspension Group: Upper and lower control arms, control arm shafts and bearings or bushings, upper and lower ball joints, radius arm and bushings, torsion bars and mounts or bushings, stabilizer bars, links and bushings, struts, strut bearing plates, shock absorbers, spindle and spindle support, wheel bearings, and the following variable dampening suspension parts: compressor, control module, actuator, solenoid, height sensor, and mode selector switch.

Cooling Group: Engine cooling fan and motor, fan clutch, serpentine belt tensioner, radiator, heater core, water pump, and thermostat.

Seals and Gaskets: This coverage option is included for covered components on vehicles with less than 125,000 miles at contract purchase date. Minor loss of fluid or seepage is considered normal and is not considered a failure.

Vintage

Includes Classic coverage

Air Conditioning Group: Compressor, condenser, evaporator, expansion valve, receiver drier, blower motor, and heater control valve.

Electrical Group: Voltage regulator, distributor, solenoids, manually operated switches, electronic level control compressor including its sensor and limiter valve, electronic fuel injection sensors and injectors, electronic ignition module, ignition coils, power window motors/regulators, rear window heating elements, power mirror motors, power seat motors, and power lock actuators.

Classic

Includes Powertrain coverage

Power Steering Group: Steering gear box, pump assembly, rack and pinion, pitman arm, idler arm, tie rod, control valves, bearings and shafts.

Basic Electrical Group: Alternator/generator, starter motor, front and rear wiper motors.

Rental Car: We will reimburse you for a rental car up to \$30 per 24 hour period, with a \$150 max per claim. In order to qualify, the vehicle must: 1) be retained by the repair facility overnight, and 2) have a failure to a covered component based on the coverage plan selected, that if driven, would result in further damage to the vehicle. An additional \$90 of rental coverage applies only in the event of a parts delay when an internal repair or replacement is performed on a major component (Engine Group, Transmission Group, Drive Axle Group).

Powertrain

Engine Group: All internally lubricated parts. Crankshaft and bearings, oil pump, fuel pump, diesel injection pump, internal timing gears or chain/belt, camshaft, camshaft bearings, valve lifters, rocker arm assemblies and push rods, valve guides, pistons and rings, wrist pins, connecting rods, exhaust manifold, motor mounts, and distributor drive gear. The engine block and cylinder heads are covered if damage is caused by failure of an internally lubricated part. ENGINE (Rotary): All of the above listed parts plus rotors, rotor seals, rotor chamber, eccentric shaft and bearings.

Turbo/Supercharger: Factory installed turbocharger or supercharger, including housing, and all internal parts.

Transmission, Transaxle & Transfer Case (4x4/AWD): All internally lubricated parts. Drive shaft/U joint, torque converter, and transmission mounts. Case housings are covered if damaged by the failure of an internally lubricated part.

Drive Axle Group (Front or Rear): Drive axle housing including pinion bearings, side carrier bearings, ring and pinion gears, carrier assembly, thrust washers, axles, axle bearings, constant velocity joints, internal transaxle seal, and drive axle housing, if damaged by the failure of an internally lubricated part.

Seals and Gaskets: Seals and gaskets are covered when replaced in conjunction with a covered failure.

Wrap

Covers approved repairs to any failure of the parts of the covered vehicle, except for all components originally covered by Manufacturer's Powertrain coverage as indicated in applicable Manufacturer's Warranty booklet and those items listed as excluded under the service contract.

* Coverage based on Reserve plan level selection. See service contract for specific exclusions.

Vehicle Protection Plan

Protect yourself from the cost of unexpected repairs

Optional coverage and surcharges

Enhanced Electrical Package

Coverage is provided for the following factory installed devices: global positioning system (GPS), electronic control modules, instrument cluster, infrared systems, cruise control servo, proximity pass key and sensor, power antenna motor. This option is only available with a coverage level of Vintage or Estate.

Business Use

Limited to cars, light-duty trucks, and vans that are not part of a pool or fleet, as used by the owner for: route work, service or repair work, delivery or hauling, agricultural purposes, job site activities, or construction trades; and eligible vehicles owned by religious/charitable organizations.

Seals & Gaskets

Failed seals and gaskets for covered components will be replaced if the seals and gaskets surcharge has been selected, paid, and the covered vehicle has less than 125,000 miles at contract purchase date.

Lift Kit/Tire Modifications

Any failure resulting from a professionally installed lift kit or tire modification (up to 4 inches) to an originally installed manufacturer component will be covered. Lift Kit/Tire Modifications above 4 inches are not covered.

Roadside Assistance

Included with all plans

Towing

If your covered vehicle breaks down, we'll arrange to have your vehicle towed to the nearest qualified repair facility within a 150 mile radius.

Flat Tire Change

In the event of a flat tire, we'll arrange for a service provider to mount an inflated spare tire provided by you.

Emergency Fuel Delivery Service

We'll arrange for a service provider to deliver two (2) gallons of fuel to your covered vehicle. You are responsible for the cost of the fuel at the time of delivery.

Battery Jump Service

We'll arrange for a service provider to assist you and get your vehicle moving again.

Key Lockout Service

We'll send a service provider and pay up to \$100 per occurrence to cover the cost of the locksmith service. Customer is responsible for the cost of replacement keys.

Limits and exclusions:

Coverage is subject to deductibles, limits and exclusions. The contract covers repairs only of covered parts and only when they suffer a breakdown as defined in the contract. Under some circumstances, a breakdown of a covered part may not be covered (for example, failure due to misuse or lack of proper maintenance or when a non-covered part is what caused the covered part to fail). Also, the exclusions contain a list of parts not covered, some of which may be associated with a covered part (for example, brake drums, pads and rotors; exhaust pipes, mufflers and catalytic converters; and body and trim items). Please see the service contract for details.

When replacing failed parts under this contract, we reserve the right to require the use of remanufactured or used parts of like kind and quality compatible with the original design specifications and wear tolerances of the vehicle. The Protective trademarks, logos and service marks are property of Protective Life Corporation and are protected by copyright, trademark, and/or other proprietary rights and laws.
