

Absolute Lifetime Limited Warranty

Powertrain component coverage for as long as you own your vehicle

With our Lifetime Powertrain Limited Warranty we make sure you enjoy your vehicle to the fullest.

Our Lifetime Powertrain Limited Warranty provides the peace of mind of knowing that you are protected against the cost of covered breakdowns for some of your vehicle's most important parts. When you buy a vehicle from us, you can rest assured that your vehicle is protected.

Our Lifetime Powertrain Limited Warranty covers these important component groups:

Engine group

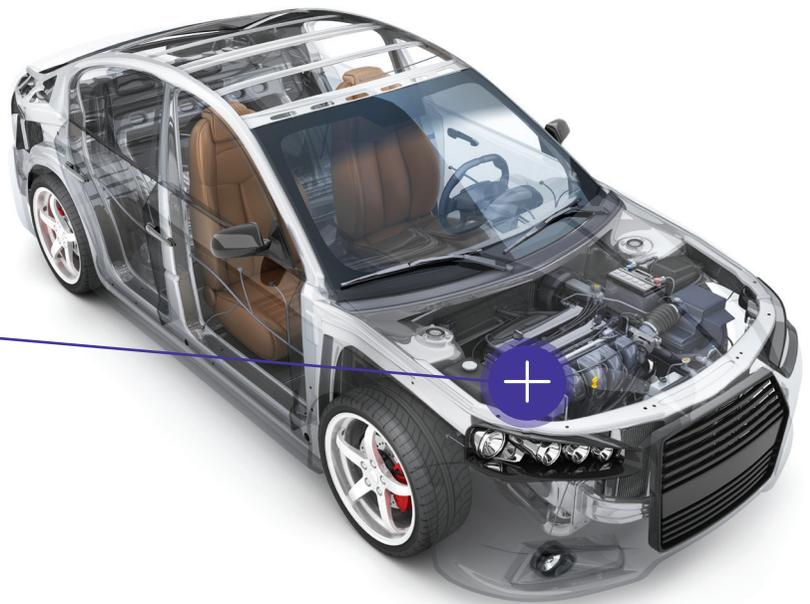

Drive Axle group (front or rear)

Turbocharger/supercharger

Transmission, transaxle & transfer case (4x4/AWD)

Repairs are easy!

Simply return to your dealer for covered repairs. You pay only a \$100 deductible, per visit.

Limits and exclusions:

Coverage is subject to limits and exclusions; see limited warranty for details.

When replacing failed parts under this contract, we reserve the right to require the use of remanufactured or used parts of like kind and quality compatible with the original design specifications and wear tolerances of the vehicle.

Exclusionary coverage

 Our Exclusionary plan provides our most extensive vehicle coverage. Coverage extends to any part experiencing a mechanical breakdown except for those parts listed as excluded under the service contract.*

*Coverage based on Exclusionary plan level selection. See service contract for specific exclusions.

Included in your coverage

Rental car

We will reimburse you for a rental car up to \$30 per 24 hour period, with a \$150 max per claim. In order to qualify, the vehicle must: 1) be retained by the repair facility overnight, and 2) have a failure to a covered component based on the coverage plan selected, that if driven, would result in further damage to the vehicle. An additional \$90 of rental coverage applies only in the event of a parts delay when an internal repair or replacement is performed on a major component (engine group, transmission group, drive axle group).

Flat tire change

We'll send a service provider to install your spare tire on your covered vehicle. If your spare tire isn't functional, we'll provide you with transportation to the nearest tire store for repairs.

Emergency fuel delivery service

We'll arrange for a service provider to deliver two (2) gallons of fuel to your covered vehicle. You are responsible for the cost of the fuel at the time of delivery.

Battery jump service

If your covered vehicle won't start, we'll arrange for a service provider to assist you with a boost or battery jump.

Key lockout service

If your keys are lost, broken, or locked inside your covered vehicle, we'll send a service provider and pay up to \$100 per occurrence to cover the cost of the locksmith service, excluding the cost of replacement keys. You are responsible for replacement keys.

Trip interruption

We will reimburse you up to \$100 per day for up to 3 days for meals and lodging when a covered failure occurs more than 150 miles from your residence.

Towing

If your covered vehicle becomes disabled we'll arrange to have your vehicle towed to the nearest qualified repair facility within a 150 mile radius. This service is available 24/7.

Limits and exclusions

Coverage is subject to deductibles, limits and exclusions. The contract covers repairs only of covered parts and only when they suffer a breakdown as defined in the contract. Under some circumstances, a breakdown of a covered part may not be covered (for example, failure due to misuse or lack of proper maintenance or when a non-covered part is what caused the covered part to fail). Also, the exclusions contain a list of parts not covered, some of which may be associated with a covered part (for example, brake drums, pads and rotors; exhaust pipes, mufflers and catalytic converters; and body and trim items). Please see the service contract for details.

When replacing failed parts under this contract, we reserve the right to require the use of remanufactured or used parts of like kind and quality compatible with the original design specifications and wear tolerances of the vehicle.
